INTERMODAL  
NETWORK

## WHO WE ARE

Optimodal Nederland B.V. is a neutral logistics service provider with a focus on sustainable hinterland container transport by rail, water and road. Based in Rotterdam since 1992, Optimodal offers a well-developed and environmentally friendly transport network from Rotterdam to Neuss and onwards to major business and logistics centers in Western Europe. Thanks to strong partnerships and sister agencies in Neuss and Hamburg, Optimodal guarantees maximum flexibility and reliability.

## SERVICES & BENEFITS

- Up to 11 train connections per week Rotterdam-Neuss v.v.
- CO<sub>2</sub> reduction & traffic relief
- 24/7 customer service
- Flexibility thanks to trimodal connection
- Time-efficient & experienced logistics team
- Europe-wide container transports
