

INTERMODAL  
SERVICES

## WHO WE ARE

We are your service partner for intermodal transportation - from road to rail to ship. Our international network of agencies and partners offers you reliable interface management for your logistics. In Germany alone, Intermodal Services operates eleven agencies, which are characterized by high flexibility, 24/7 service and competent troubleshooting. Our more than 60 employees handle over 200,000 units a year and ensure efficient processes and fast response times.

## SERVICES & BENEFITS

- Neutral handling agent for intermodal and terminal operators
- Expertise in hinterland and rail transport via shareholdings
